Asia-Pacific Effie Awards 2014 Call for Entries

Entry through Dec. 20, 2013

Singapore - APAC Effie has announced the Call for Entries for its 2014 Awards. Entry deadlines are through Dec. 20th, 2013 and the awards will be presented in Singapore in April 2014.

The Effie Awards is recognised throughout the industry as the global standard of marketing effectiveness excellence. Organised by the Confederation of Asian Advertising Agency Associations (CAAAAA) and Tenasia Group, the APAC Effie Awards honor the region’s most outstanding cases that have been brilliantly executed and achieved proven results in meeting challenging strategic objectives.

Along with its Call for Entries, APAC Effie also introduces the awards theme - “There is an Art & Science to winning”- representing the coming together of art and science to create desired results for the brand. A truism that describes perfectly what the awards are all about.

“Advertisers value ideas that truly deliver results. The Effie Awards are about marketing effectiveness and the APAC Effies offer the region’s most outstanding marketing cases the opportunity to have their success recognised at the regional level,” said Connie Chan, Chairman for the 2014 Awards. “This is where the relentless industry is challenged, and the best in Asia-Pacific is celebrated.”

Agencies and clients may now submit entries across 33 categories. On top of the Single Market Categories, which are open to all cases that have run in Asia-Pacific, APAC Effie offers an additional level to the competition with the Multi-market Categories. Multi-market Categories only accept entries for cases that have run in two or more markets. It allows cases which have run successfully across the region to be awarded.

Entry submission to the Asia-Pacific Effie Awards will be open until December 20, 2013. Finalists will be announced in February 2014. For more information about the APAC Effie competition, visit www.apaceffie.com.
Effie Worldwide’s long-term partners in the region include key programs recognizing the most effective work in many countries throughout the APAC region. More information about all Effie programs in Asia Pacific can be found on both effie.org and at apaceffie.com.

Finalists and winners in all Effie programs in the Asia-Pacific region will be included in the Effie Effectiveness Index, which identifies and ranks the marketing communication industry’s most effective agencies, marketers and brands by analyzing finalist and winner data from worldwide Effie competitions.
