Truth Initiative & Mojo Supermarket's anti-vaping effort scoops the US Grand Effie at the 2023 Effie Awards

# The Kellogg Company named Most Effective Marketer; IPG retains title of Most Effective Holding Company; Mischief @ No Fixed Address is top Independent Agency

**NEW YORK, June 1, 2023** – The campaign that tackled vaping, Truth Initiative and Mojo Supermarket’s “Depression Stick + Breath of Stress Air,” with contributing agencies Gale, Allegiance Group, and Crux Research, was awarded the Grand Effie at the 2023 Effie Awards US Gala, held on June 1 in New York.

“Depression Stick + Breath of Stress Air” saw nonprofit Truth Initiative and independent agency Mojo Supermarket unite to take on the billion-dollar vaping industry and capture the attention of the hard-to-reach teen audience by building a platform through honesty, relevance, and compelling creative.

The Grand Effie winner effectively challenged an entire category, sparking anger towards vaping companies and inspiring young people to quit vaping by tapping into an insight about their mental health that resonated deeply: vaping can actually amplify the feelings of stress, anxiety, and depression that they’re trying to soothe.

“Depression Stick + Breath of Stress Air” also won Effies in the David vs Goliath and Disease Awareness & Education: Non-Profit categories.
